

ADDENDUM No. 1

BIOENERGYTECH VALLE DEL CAUCA CHALLENGES

Justification

Reddi Colombia, in its capacity as the executing entity of Call No. 01 of 2026 – BioEnergyTech Valle del Cauca Challenges, developed in coordination with Ecopetrol S.A., as the leading entity of the challenges, and the Cámara de Comercio de Cali, as the organizing entity, and in exercise of the power provided in numeral 13 of the Terms of Reference, hereby issues this **Addendum No. 1**, through which the call schedule is modified for the purpose of extending the established deadline for the submission of solutions.

This modification is adopted in consideration of the emergency situation derived from the seismic event that occurred during the month of August 2026 and aims to provide a greater margin of time to potential solvers interested in participating, favor the participation and concurrence of interested parties, and allow the timely development of the subsequent evaluation and selection stages provided for in the call.

To facilitate the identification of the adjustments incorporated through this addendum, the modifications made are highlighted in bold.

Consequently, numeral 13. Schedule of the Terms of Reference is modified, which shall read as follows:

13. Schedule

Table 5 describes the activities corresponding to the call and the opening and closing of each of the selection periods:

Table 5. Schedule

Activity	Deadline
Publication of the call directed to solvers	July 22, 2026
Closing of solvers' application	September 27, 2026
